

PINE CANYON GP

Pine Canyon Road turns west from [Glenn Springs Road 2.0 \(/glenn-spring-road-20.html\)](/glenn-spring-road-20.html) toward Chisos Mountains and climbs gradually into Pine Canyon. It is an in-and-out road.

Pine Canyon has been declared a Research Natural Area and is to be left undisturbed to serve as a gauge by which to measure changes in man's natural environment. For this reason, no camping is allowed in the heart of Pine Canyon.

Headed for Pine Canyon

There is a GPS - gpx track file at the bottom of the page.

Sotol grassland is prevalent at the higher elevations of the road.
